# Planning A Wedding

Dear Engaged Couple:

The entire Cathedral family celebrates with you as you prepare for the sacred union of Holy Matrimony. This booklet is designed to inform you of the wedding guidelines and policies of the Cathedral of St. Philip. It contains the answers to many of your questions!

The Cathedral of St. Philip is a holy and majestic place to have your wedding. It is important to know that your wedding will be an Episcopal worship service, as outlined in The Book of Common Prayer. Things you have seen done at other weddings might not be a part of our liturgy and theology, or the customs of the Cathedral.

Please read through the policies and procedures of this handbook before planning your wedding. We want you to have a clear understanding of the policies, and avoid any disappointment or confusion later in the process.

We hope that the next few months will be filled with much joy and anticipation as you prepare for your marriage and new life together.

## Introduction

To be married at the Cathedral of St. Philip, it is expected that either of you (or at least one of your parents) be active members of the Cathedral of St. Philip. (Canon Law requires that at least one of you be a baptized Christian). If you would like to become a member, please fill out a membership form.

When a member desires a wedding at the Cathedral of St. Philip, the first step is for the couple to make contact with the clergy whom they wish to solemnize their marriage.

Only an Episcopal priest in good standing with the Church may officiate a wedding at the Cathedral of St. Philip. A minister of another denomination may take part in the service, but may not officiate.

Your wedding date will be set once the priest is contacted, the date verified through him/her, and a deposit of ½ the total fee is received.

## Wedding Date and Time

The Cathedral of St. Philip requires a minimum of a 90 day notice for a wedding, and allows scheduling up to one year in advance.

**Weddings are scheduled only on Saturdays at 2 p.m., 3 p.m., 6 p.m., or 7 p.m.**

We do not schedule weddings during the season of Lent (40 days before Easter).

## Premarital Counseling

One of the opening lines of the service goes as follows: “Marriage is not to be entered into unadvisedly or lightly, but reverently, deliberately, and in accordance with the purposes for which it was instituted by God” (BCP, 423).

You will fulfill these words by participating in The Cathedral Counseling Center Premarital Workshop, held once a month at the Lanier House (home of the Cathedral Counseling Center).

After the workshop, 2-3 additional sessions are required with the clergy officiating your wedding. Contact the priest to schedule these counseling appointments.

## Flowers and Decorations

The Cathedral Flower Guild is in charge of flower arrangements for all weddings. No one other than this guild may arrange the flowers for the worship spaces, including but not limited to the altar, chancel, pews, and aisle. (If there is more than one wedding on the same day, the Guild will coordinate with each couple).

**Flower Selection:** The couple should contact the Flower Guild Co-Chairs, to discuss floral selections at least 60 days in advance. The Flower Guild chairs can provide advice on colors and flowers that work well in the Cathedral as well as information on seasonal availability.

If the couple would like to use expensive or out of season flowers, there may be an additional charge.

The wedding flower fee only includes standard floral arrangements for the altar area. The couple may choose between arrangements in two traditional style urns or arrangements set in ceramic boxes. The altar flowers for worship at weddings are also used for worship on Sunday morning.

Special liturgical holiday decorations (such as greenery during Advent, Christmas flowers during the Christmas season and red during Pentecost) will take precedence over weddings.

**Additional Flower Arrangements:** The Cathedral Flower Guild can arrange additional flowers on the altar, pedestals arrangements to be located at the front of the church, and pew sprays and candelabras down the center aisle for an additional charge. The Flower Guild requires at least 90 days prior notice to assemble these types of arrangements. It is the responsibility of the couple and/or their florist to remove any additional decorations, or the Cathedral staff will dispose of any remaining containers and flowers to prepare for Sunday.

For questions regarding flowers please contact Laura Iarocci, 404-578-0950 or [laura@faithflowers.com](mailto:laura@faithflowers.com).

## Photography and Filming

The Cathedral is equipped with a state-of-the-art Tricaster video system that is able to get multiple angles and close-up shots during the wedding liturgy. For an additional \$750 a sound technician will record the service using the different camera angles and provide your family with a DVD and digital copy of the service in 1080 HD.

If you have an outside photographer or videographer who has not shot at the Cathedral before, it is expected that he/she meet with the wedding coordinator to eliminate the possibility of any confusion on the day of the wedding.

Flash photography is prohibited during the service, and photographers must refrain from making conspicuous movements or causing any noise which may interrupt or detract from the ceremony.

Pictures may be taken of the wedding party at the altar for 20 minutes following the ceremony, after the church has been emptied. Pictures which include the priest should be taken first so that he/she may leave to prepare for their Sunday responsibilities.

There are two places in the Cathedral where a videographer may stand while filming: in the balcony, and behind the reredos (behind and to one side of the altar). Video cameras and videographers must be stationary.

It is not possible to plug into the Cathedral sound system.

# Wedding Music

Music is an important component of Episcopal worship. It is the responsibility of our music department to provide music for all Cathedral weddings.

All musical arrangements for your ceremony must be made in consultation with the Cathedral musician assigned to play for your service, and no musical arrangements may be made without the music department's prior approval.

The only music you need to select is the music to be played during the entering and retiring processions of the wedding party. To help you make your choices, recorded excerpts of these works are hyperlinked to our online Wedding Music Selection Form, so that you can get a sense of how these pieces will sound in the Cathedral.

**Entrance procession:** For weddings in the Cathedral nave, you may choose one piece for the wedding party and a second piece for the bride alone. For services in Mikell Chapel, where the aisle is short and the number of attendants usually fewer, choose only one piece for the entire entering procession.

**Retiring procession:** Choose one piece for the entire wedding party to depart. If necessary the organist will play an additional festive piece after the retiring processional music.

**Hymns:** You may include hymns during the marriage service if you anticipate that your guests will sing heartily. We suggest choosing one or two hymns.

**Soloists:** If you wish to have a vocal solo during your ceremony, one of the Cathedral's staff singers will be engaged to sing. Please consult your assigned organist if you wish to make these arrangements. Please do not invite any musicians, friends, or family to perform during your ceremony without prior approval from the organist assigned to play for your service. Additional fees will apply for the staff soloist and the organist, payable to the Cathedral.

**Chamber Choir:** Occasionally members of the Cathedral Choir are asked to sing for weddings. If you would like to request them, indicate that on the form and be in touch with the Canon for Music as far ahead of the wedding as possible. Additional fees will apply, payable to the Cathedral.

**Instrumentalists:** If you would like to have additional instrumentalists play for your wedding, please include your wishes on the wedding form. All additional musicians will be arranged for you by your organist. Additional fees will apply, payable directly to the musician(s) contracted to play.

All arrangements for vocal or instrumental music are made by the Cathedral musicians.

All music must be sacred. Music with prominently secular connotations is not allowed.

## The Order of Service Leaflet

The service leaflet's format varies just as each wedding does, but the basic contents remain the same. Several sample templates are available from the worship coordinator. **Please submit a proof to the priest for review at least one week before final printing.**

The official title of the wedding ceremony is, "The Celebration and Blessing of a Marriage," and should appear on the order of service leaflet. It is important to become familiar with the wedding liturgy.

## The Rehearsal

The wedding rehearsal gives the wedding party the opportunity to become familiar with the service ahead of time so they are comfortable during the actual ceremony.

Wedding rehearsals are normally held on the Friday evening before the wedding at 5 p.m., 6 p.m., and 7 p.m. and will last an hour. This time is scheduled at the time your wedding is put on the Cathedral calendar. All members of the wedding party are expected to attend and should arrive at least fifteen minutes early. Your rehearsal will end at its scheduled time.

The marriage license needs to be brought to the rehearsal. The license will be signed and returned to the appropriate county office by the Worship Coordinator the week following the wedding. The marriage certificate will be returned to the couple by the county office four to six weeks after the wedding.

The Cathedral Wedding Guild is charged with the responsibility of assisting the priest at the rehearsal and for coordinating preparations prior to the ceremony on the wedding day. A member of the Guild will call the bride in the weeks prior to the rehearsal to discuss the details of both the rehearsal and the wedding.

## The Wedding Day

All members of the wedding party should arrive at the Cathedral at least one hour before the wedding. The Bride's Room will be available two hours before the wedding. **Early entry is not available.**

The bridal party should have hair and make-up done before arriving, but may leave final preparations for the Bride's Room. The groom and groomsmen should arrive dressed and ready. It is expected the Bride's Room be vacant no later than one hour after the wedding.

It is suggested that arrangements be made to remove all personal items immediately after the wedding to have it available for the next bride. The Cathedral cannot be responsible for lost or stolen items.

The Cathedral Wedding Director is responsible for assisting all members of the wedding party and the families in taking their places at the proper time. He/she will also give all other directions prior to the ceremony. Outside wedding coordinators may assist the bride's room, but may not give any directions related to the ceremony.

## FAQs

### **Do we have to have Holy Communion at our wedding?**

You do not have to have Holy Eucharist as part of your wedding liturgy. But, celebrating Holy Eucharist in the context of your marriage liturgy can be a powerful witness. It is a reminder that your love should be grounded in Christ's love. If you choose to have communion, your first meal together as a married couple occurs at the Lord's table.

### **I belong to another Episcopal Church in the Diocese of Atlanta; can I get married at the Cathedral and have my parish priest officiate?**

Members of other Episcopal churches in the Diocese of Atlanta who wish to be married at the Cathedral should make arrangements through their own priest and then contact our worship coordinator. Once the Dean of the Cathedral approves, the date will be set. Please note that all of the Cathedral policies apply to your wedding.

### **Are we allowed to use aisle runners or flower petals?**

Aisle runners are not permitted in either the Cathedral or chapels. Nothing is permitted to be thrown or scattered either inside or outside the Cathedral including but not limited to rice, birdseed, sparklers, and flower petals. Bubbles may be used outside the Cathedral.

### **One (or both) of us have been previously married, how difficult is the remarriage petition?**

Canon Law requires consent of the Bishop before remarriage occurs. Given the structure of our premarital counseling process, we almost always receive consent. The norm is one year from the date of the final decree of the divorce prior to remarriage in the Church. Please talk with your officiating clergy.

### **Do you have any recommendations for hymns to be sung at our wedding?**

Hymns should be selected from *The Hymnal 1982* and your selections will ideally be well known by your guests. Some good choices would include 657, 376, 390, 410, 400 (select stanzas), 365, or 353.
